

1st EVER!

**FRASER MOUNTAIN MURAL
FESTIVAL
JULY 26 & 27**

WHADDYA THINK??

Help us out with your thoughts & suggestions to make next year's mural festival even better!!

1) What went well

The easels + panels were awesome! Love the design of the easels + so sturdy. Great vibes + good DJ! Paint rinse out station was super easy. Great location.

2) Where could we do better

- If possible - provide easy-ups for artists so the weather doesn't deter painting process.
- Printing the artist's names bigger so people can tell who to vote for.

3) Ideas that could help next year

- Having food trucks @ the event.
- printing the artists name on bigger plaques

4) Any additional thoughts

This festival has been great! We've so enjoyed being here + we are so impressed with the easel construction. The people we've dealt with have been so nice and accommodating - THANK YOU!

5) Can we contact you?

Sure.
