Subject: Online Form Submittal: Application for Town Trustee Vacancy

Application for Town Trustee Vacancy

First Name	Brian
Last Name	Roman
Physical Address	249 Mill Ave
City	Fraser
State	CO
Zip Code	80442
Phone Number	(970)531-3487
Email Address	brianjroman@gmail.com
I am registered to vote.	Yes
I am a resident of the Town of Fraser.	Yes
I understand that the information provided in this application is considered part of the public record and could be made available to others upon request.	Yes
1. How long have you lived in Fraser	9+ years
2. Why would you like to serve on the Fraser Town Board?	To work with the community in growing and adapting the town to the changes that will come in the future.
3. Have you been a member of other boards, commissions, or committees in the Town or	no

elsewhere in Grand County?

4. Have you had any personal experience in dealing with residents and stakeholders of this community or any others? If so, provide a brief statement as to your experience.	Yes I work professionally with a few of them on different construction projects in the town and around the county.
5. Describe your history associated with community volunteerism.	I have volunteered with different environmental and river health projects over the years.
6. Describe where you see the Town of Fraser in ten years.	At least 2 more traffic lights, haha. I see the Grand Park development going full bore, the town population almost doubling and a much bigger need to balance the very different needs of year around residents and that of second home owners.
7. As a Town Trustee, decisions are made by consensus of the group. As an individual, please describe an incident where you have had to collaborate with a team, even if your opinion may have differed	I work in a team setting in many aspects of my jobs. Specifically, on ski patrol when performing avalanche control work we are in teams of 2-5 and have to come to an agreement on how to perform the work. We have to work together not only to achieve our work goals but also to keep ourselves safe.
8. If you were appointed to the Board, name one goal/objective you would like to see the Town focus on.	I would like to see a town clean up day. Where people are able to clean out their houses and properties affordably.

Brian Roman
249 Mill Ave
PO Box 1025
Fraser CO, 80442

Dear Fraser Town Board,

I am writing this letter to express my interest in applying for the opening on the Fraser town board. I am born and raised in the Fraser Valley and have resided and been registered to vote in the town of Fraser for the last 10 years. I have seen this community grow and change over the last 30+ years. There are some big changes and challenges coming to this community in the next few years from recovering from covid, larger scale developments, affordable housing and being a small mountain community close to a major city. I would like to see this town grow and change to meet these challenges. Working for a smaller contractor in the summer and the largest employer in the valley in the winter gives me two very different perspectives of the community. I also represent a younger demographic of people. I look forward to getting to work with all the people that make up the community we live in.

Sincerely yours,

Brian Roman

Brian Roman

Contact Objective

249 Mill Ave, box 1025
Fraser CO, 80442
(970)531-3487
BrianJRoman@Gmail.com

I am applying for the town board opening because I have been a member of this community for my entire life and I would like to become involved in it. I would bring a fresh perspective to the board by representing the younger members of this community.

Education Experience

Middle Park High School
Graduated 2003

11/2012-current

Ski Patrol • Master Ski Patroller • Winter Park Ski Area

Fort Lewis College
2003-2005

Snow safety team member, national certification of EMT-B, certified avalanche rescue dog handler, a lead instructor for lift evacuation, rope rescue, and First Aid

Mira Costa Community College
2007-2009

09/2013-current

Excavation • Forman • Nicks Dirt Works

Manage multiple job sites and work crews, help plan/schedule daily operations and help with the coordination of maintenance and repairs to equipment

Summers 2003-2013

Construction • Laborer • Kopp Construction

My start in construction, learning multiple phases of building

Key Skills Communication

Communication
Project Management
Team Play
Goal Oriented

I teach the new ski patrollers multiple parts of an avalanche rescue course, every fall I am part of a small team that does the chair lift evacuation training and First Aid refreshers for all patrollers. I also am required to talk to project managers and developers daily on job sites to ensure that all tasks are being done correctly.

Project Management

This past summer I oversaw many projects, the new development at the bottom of Rendezvous, the addition to the hospital in Granby and continued development in the Lakota subdivision. I have to relay what the projects managers and developers expectations are and make sure our crews are working to meet that expectation.
