Committee applying for	Economic Development Committee
What interests you about serving on this committee?	I would like to see this committee revitalized and since I have made Fraser my permanent home, I believe it is vital that the town continue to be a great place to live and work.
Why should the Town Board consider you for appointment/reappointment to this committee?	I have extensive background in sales, marketing, legal and finance. I am currently President of the Board of Colorado Headwaters Land Trust and a member of the Lions Club here in Fraser Valley. I am committed to volunteering my time to help in any way to help the Town Board and Town Manager be successful in planning for future economic development.
What relevant experience, skills, and/or talents do you feel would help you be a contributing member to this committee?	I have a bachelor's degree from New York University in Economics and a Masters in Environmental Law from Vermont Law School. I have worked in sales and marketing for International Paper, Shawmut National Bank and Fleet Bank. I have had my own business in the crafts area and also in consulting for a number of companies. I also served for many years on the Environmental Commission in my previous hometown of Bernardsville, NJ.
What additional skills, knowledge, and/or experience would you feel could help you be a better committee member?	I believe that I bring a perspective of working for the State of New Jersey buying land to protect the water supply and negotiating conservation easements on large private land holdings in New Jersey. My work with the Colorado Headwaters Land Trust also provides a viewpoint of the

ranch and landowner communities in Grand County.

What do/would you enjoy most about serving on this committee?

I enjoy making a difference in the community where I live.

What do/would you enjoy least about serving on this committee?

I have been disappointed that so many meetings have been cancelled and hope that in the coming year there will be increased interest on the part of the Town Board and Town Manager in utilizing the contributions that this committee could be called upon to provide.

What is the purpose of the committee?

The stated purpose is to act in an advisory capacity as requested by the Town Board and Town Manager.

What are the goals of the committee?

The primary goal of the committee is to explore matters related to economic development in Fraser and make recommendations to the Town Board and Town Manager.

Committee applying for	Economic Development Committee
What interests you about serving on this committee?	I've enjoyed serving on it, and the main street program, for the past year. I'm excited to help continue to shape the future development of Fraser.
Why should the Town Board consider you for appointment/reappointment to this committee?	Because I've only been a part of the committee for a year and although we didn't meet as often as we would have liked, I did get a feel for it and I'm wanting to contribute even more now.
What relevant experience, skills, and/or talents do you feel would help you be a contributing member to this committee?	I now have a year of experience of serving on the committee and also attended a few Main Street meetings and PAC meetings. I feel I have a good sense of the direction the town is wanting to head in. And I frequent a lot of the local businesses in town and have a lot of relationships with those who run the businesses.
What additional skills, knowledge, and/or experience would you feel could help you be a better committee member?	I think that by just attending more meetings and events I'll pick up much more experience and that will just lead to my contributions becoming more insightful and useful.
What do/would you enjoy most about serving on this committee?	Being a part of the community, and having a say in the direction Fraser is headed. And also meeting new people, and getting a better understanding of how all these

processes come together to shape the town and form the community.

What do/would you enjoy least about serving on this committee?

I just wish we'd meet more often.

What is the purpose of the committee?

To ensure Fraser attracts businesses that will benefit the citizens of Fraser, grow the town in a sustainable and responsible way, and allow Fraser to thrive.

What are the goals of the committee?

Continue to help existing businesses thrive, while attracting new businesses that will compliment the town.

What interests you about serving on this committee?	I've been told that I would bring a different view point, based on the jobs I have held around town and years I have lived here.
Why should the Town Board consider you for appointment/reappointment to this committee?	As someone who lives and works solely in Fraser I could provide some good input.
What relevant experience, skills, and/or talents do you feel would help you be a contributing member to this committee?	I have watched Grand County grow for the past 6 years, I am a good communicator who has held jobs in front facing customer service, I am a very organized person who enjoys going through the motion of planning things out.
What additional skills, knowledge, and/or experience would you feel could help you be a better committee member?	My positive attitude!
What do/would you enjoy most about serving on this committee?	Making a noticeable/positive impact for those who live here full time.

What do/would you enjoy least about serving on this committee?

I really couldn't tell you.

What is the purpose of the committee?

We are looking at job, and housing developments in an effort to grow Fraser in the best way possible.

What are the goals of the committee?

To make a positive impact in the community!
