

In order to assist the Town Board in reviewing the performance of the various committees and provide better information for consideration during the process of appointing committee members, please complete the following. Your responses will be provided to the Town Board in advance of their consideration of committee appointments.

In addition to these responses, the Town Board will be provided with a list of committee member terms, lists of the prior two year's committee agenda items and attendance.

Name: Bob Wolf
Physical Address: 566A Sun River Dr. Fraser, CO 80442
Email: bob@alpinetimbers.com
Phone Number: 970-531-8437
Committee: Water / Wastewater

Please think about your personal experience and contributions when responding to these questions:

What interests you about serving on this committee?

Being involved in Water and Wastewater for the past 30 years in the Fraser Valley I still have an interest in being involved in the current needs and future needs of the town with all the continued development that will impact the town needs into the future. We need to be on the fore front of looking into the future for the continual updates and maintenance needed to keep the system running properly.

Why should the Town Board consider you for appointment/reappointment to this committee?

President of Grand county Water & Sanitation for 25 years.
Involved with the creation of the JFOC combining the 3 valley wastewater providers.
1st President of JFOC committee

What relevant experience, skills, and/or talents do you feel would help you be a contributing member to this committee?

General contractor building many custom and commercial projects within the Fraser Valley from 1979 to 2014. This also gave me constructive experience in the operations of the water and wastewater systems in the 3 districts

What additional skills, knowledge, and/or experience would you feel could help you be a better committee member?

After being part of the committee for the last 4 years it became apparent that we were certainly lacking in the ability to have constructive dialogue in discussions pertaining to the overall ability of running the wastewater system within the town of Fraser. We have felt for the last 9 months that we were still not being included in any discussions that pertain to the operations or maintenance. My hope is that the town will realize the use of our experiences and keep us more involved in the operations and maintenance if we continue with the committee.

What do/would you enjoy most about serving on this committee?

Being involved in the future of the Town of Fraser

What do/would you enjoy least about serving on this committee?

I would not do this if there was something that I didn't enjoy.

Please think about the Committee as a group when responding to these questions:

What is the purpose of the committee?

To be involved in the overall discussions that involve Fraser for the operations and maintenance issues facing the town currently and going into the future especially with development.

What are the goals of the committee?

To make decisions or give directions to the Fraser trustees for the ongoing operations and maintenance of the towns service lines and operations of the wastewater treatment plant

Is there a clear understanding and agreement of the purpose and goals by all members of the committee? If not, please explain

I believe there now is a better understanding of what our goals are moving forward.

Is there alignment between the work of the committee and the Town Board? If not, please explain

Currently not sure if there is an alignment with the committee and the Town Board. With the make up of the Fraser trustees now having changed with the last election, I hope that there will be better communication between the committee and the Trustees along with the town manager in the future.

Does the committee membership represent diverse perspectives and are diverse perspectives encouraged as part of effective dialogue? If not, please explain

I think the committee can have diverse perspectives if we are allowed to be involved in the overall discussions and our opinions are accepted. However, I believe we need to actually meet more than once a quarter if our involvement, values and experiences are to be accepted.

Are there certain skill sets, talents, or experience that you feel the committee membership is lacking?
Please explain

None presently that I can think of.

Does dialogue during committee meetings maintain respect and decorum? If not, please explain

Certainly, all the meetings in the past have always been very respectful and no problems that I am aware of.

For the following two questions, if you would like your responses to be anonymous, please provide your responses on a separate page.

Are there members of the committee who contribute more than most? Please explain

No. With general discussions only being had always you cannot differentiate on who contributes or does not.

Are there members of the committee who are less effective than most? Please explain

Same as above answer.

Committee Responsibilities, Eligibility, Term and Compensation

Economic Development Advisory Committee

Responsibilities:

- The Committee shall act in an advisory capacity to the Board of Trustees as requested by the Board of Trustees and Town Manager.
- The Committee is authorized to explore matters related to economic development in Fraser and make recommendations to the Board of Trustees and Town Manager.
- The Committee shall hold at least one (1) regular meeting each quarter. A quorum is not required to hold a meeting. No vote or recommendation to the Town Board shall take place without a quorum.

Eligibility:

- All members of the Committee shall be bona fide residents of the Town, or own property within the Town, or have at least ten percent (10%) ownership interest in a business that owns

property within the Town or hold a management position with a business located in Fraser. Committee members should provide a broad representation from the community and have an interest in promoting the best interests of the Town and the surrounding community; be objective and thoughtful.

- Committee members shall have expertise or experience in one (1) or more of the following or related areas:
 - Legal, sales, marketing, finance and capital fundraising.
 - Strategic planning, community development and engineering.
 - Entrepreneurial, business development and job creation.
 - Telecommunications/internet, resort/tourism, retail, service/transportation, lodging/hospitality, energy/utilities, or commercial/office real estate.

Term:

- The term of Committee members shall be two (2) years. Committee members may be re-appointed to the Committee for consecutive terms.

Compensation:

- Member is compensated \$75 per meeting attended

Planning Commission:

Responsibilities:

- The Planning Commission may prepare such plans and regulations for adoption by it and the Board of Trustees as may now or hereinafter be authorized by the laws of the State or requested by the Board of Trustees and shall act in an advisory capacity to the Board of Trustees when requested by the Board of Trustees or required by the state statutes or the ordinances of the Town.

Eligibility:

- All members of the Planning Commission shall be bona fide residents of the Town, and, if any member ceases to reside in the Town, his or her membership on the Planning Commission shall immediately terminate.

Term:

- The terms of the ex officio members shall correspond to their respective official tenure. The terms of each of the appointed members shall continue until the second regular municipal election following the appointment or until his or her successor takes office, except as provided by Paragraphs 2-6-20(2) and (3). Selections or appointments to fill any vacancies caused by the expiration of a member's term shall be made within thirty (30) days following the regular municipal election at which the member's term expires. In case of a vacancy caused by the resignation or removal of a member, the selection or appointment of a replacement shall be made by the Mayor or Board of Trustees, as the case may be, within thirty (30) days from the date the vacancy occurs unless a longer time is needed to find a suitable replacement.

Compensation:

- Member is compensated \$75 per meeting attended

Public Arts Committee:

Responsibilities:

- The Committee shall act in an advisory capacity to the Board of Trustees as requested by the Board of Trustees and Town Manager.
- The Committee is authorized to explore matters related to all aspects of planning, programming, procurement, installation, operations, and maintenance of public art projects and artworks in the Town of Fraser and make recommendations to the Board of Trustees and Town Manager.

- The Committee shall hold at least one (1) regular meeting each quarter. A quorum is not required to hold a meeting. No vote or recommendation to the Town Board shall take place without a quorum.

Eligibility:

- All members of the Committee shall be bona fide residents within the Fraser Recreation District boundaries, or own property within the Town, or have at least ten percent (10%) ownership interest in a business that owns property within the Town, or hold a management position with a business located in Fraser. Committee members should provide a broad representation from the community and interest in promoting the best interests of the Town and the surrounding community; be objective and thoughtful.
- Committee members shall have higher education, expertise or experience in visual and performing arts or in related areas.

Term:

- The term of Committee members shall be two (2) years. Committee members may be re-appointed to the Committee for consecutive terms.

Compensation:

- Member is compensated \$75 per meeting attended

Water Wastewater Committee:

Responsibilities:

- The Water and Wastewater Committee shall act in an advisory capacity to the Board of Trustees as requested by the Board of Trustees and/or the Town Manager.
- The Water and Wastewater Committee is authorized to explore matters related to water and wastewater and make recommendations to the Board of Trustees and/or the Town Manager.
- The Water and Wastewater Committee shall hold at least one (1) regular meeting quarterly. A quorum is not required in order to hold a meeting.

Eligibility:

- All members of the Water and Wastewater Committee shall be bona fide residents of the Town, own property within the Town or have at least ten-percent ownership interest in a business that owns property within the Town. If any member ceases to meet these eligibility requirements, his or her membership on the Water and Wastewater Committee shall immediately terminate.

Term:

- The terms of the ex officio members shall correspond to their respective official tenure. The terms of each of the appointed members shall be two (2) years, or until his or her successor takes office. Terms of the appointed members shall be concurrent with the two-year municipal election cycle.

Compensation:

- Member is compensated \$75 per meeting attended.

In order to assist the Town Board in reviewing the performance of the various committees and provide better information for consideration during the process of appointing committee members, please complete the following. Your responses will be provided to the Town Board in advance of their consideration of committee appointments.

Hello Antoinette, and the Fraser town board. I filled out an application for the water waste water committee and sent it back on the 22nd. A concerned resident called me to tell me I was not on the agenda with Dennis and Bob. After further review my application was not received. I would like to be considered for the water, waste water committee. Thank you. Ron

Subject: committee appointments

Hello All,

The Fraser Municipal Election is being held on April 5 and all the current committee terms will expire at this time. After the election, the committee appointments are made by the elected board of trustees for a two-year term. If you are interested in another term, you will need to complete an application. I anticipate presenting the applications to the Board for a

decision on May 4.

The deadline to apply for a committee is April 24. I have attached a paper application that can be completed and returned to me. Below is a link that can be used to complete and submit the form electronically, paperless option.
