

## Fraser Center for Creative Arts

### Founder's Initiative

The Fraser Center Founders are a select group of individuals and community groups who believe in the transformative power of the arts for communities, families, and individuals. They believe that the Fraser Valley is an unappreciated hub of creative expression and want to see that latent potential blossom. They want to attend more live music events, original plays, and meet visiting visual artists without having to drive hours away. They want local educational opportunities for all ages in the creative arts.

Our Founders also understand that they are providing the seed capital for our fundraising effort, indicating community support for the Center and enabling Fraser Valley Arts to better compete for larger grants and awards.

As the earliest supporters of the Fraser Center for Creative Arts, they will be permanently recognized as Founders and enjoy all the benefits associated with the Founder's Circle.

### Benefits

- Permanent inclusion in the Founder's Circle, the Fraser Center's most prestigious group of donors, capped at 25 donors
- Prominent recognition as a Founder in local media (if desired, with permission) and with a prominent display in the entry of the Center
- VIP invitations to all events in advance of the general public
- First, and discounted, access to tickets for all events, including FVA events that precede the construction of the Center (such as Plein Air @ Altitude)
- A commemorative pin signifying their Founder's Circle status
- Additional benefits as they are developed
- All Founder's gifts may be applied toward a building naming opportunity

### Commitment

\$15,000 per year for 2 years (\$30,000 total). FVA is a 501c3 organization, and your donation is tax deductible.
