Clark,

Regarding the proposed US 40 Sanitary Sewer Crossing located near US 40 and Old Victory Road, the Town of Fraser is in support of this project. Fraser Staff has reviewed the proposed plans and has signed the final construction plans.

This project will be required to be a part of a Subdivision Improvement Agreement with the Town with the required surety as part of the agreement. The project will also require all approvals and permits from CDOT.

If you have any questions, please feel free to contact me.

Sincerely,

Russell W. Pennington, P.E.
Public Works Director
