

MEMO TO: Mayor Vandernail and the Board of Trustees
FROM: Ed Cannon, Town Manager
DATE: July 6, 2022
SUBJECT: 2022 Street Projects

MATTER BEFORE BOARD:

Approve Joint Contract for Fraser Street Improvements

BACKGROUND:

For the second year, Fraser has partnered with Winter Park to solicit bids for asphalt improvements. 2022 Fraser projects include mill and overlay of Wapiti Drive and lower Rendezvous Road.

Winter Park received one (1) bid from Elite Surface Infrastructure (ESI) for the combined project. ESI was the company that completed our joint paving project in 2021, and both Winter Park and Fraser was pleased with their work.

FINANCIAL CONSIDERATION

Fraser budgeted \$500,000 for the Wapiti and rendezvous projects. ESI's bid for Fraser's portion of the work came in at \$394,442.70. Winter Park is scheduled to approve the proposal on July 5th, and, if Fraser approves, work will begin after Labor Day.

RECOMMENDATION:

Approve Resolution to award street improvement contract to ESI.
