Re: Project Description: CO1 DT Fraser Proposed Telecom Facility Project Narrative

In a continuing effort to provide improved telecommunications services to Town of Fraser, Verizon Wireless proposes to construct a new 40' stealth clocktower with ground equipment at 520 Zerex St., Fraser, CO 80442 (parcel 158719107001) owned by Christofer J. Hillison.

Per the Town of Fraser requirements Mr. Hillison must state he consents to the placement of the Commercial Mobile Radio Service facility on his property, lease does not preclude collocation.

I, Christofer J. Hillison consent to the placement of the Commercial Mobile Radio Service facility on the above-named parcel.
