Re: **Letter Agreement for Professional Services for
Sun River Drive Corridor and Wapiti Drive Corridor Access/Connectivity Concepts
Fraser, Colorado**

Dear Mr. Johnson:

Kimley-Horn and Associates, Inc. ("Kimley-Horn" or "Consultant") is pleased to submit this Letter Agreement ("Agreement") to the **Town of Fraser** ("Town" or "Client") for providing professional traffic engineering services. The purpose of these services is to prepare concept exhibits, and **if authorized** a traffic memorandum, for potential access/connectivity changes to the Sun River Drive and Wapiti Drive corridors in Fraser, Colorado. Our scope of services, schedule, and fee and billing are as follows.

Project Understanding

This project involves the development of conceptual exhibits to aid in the Town's consideration of access changes along two corridors within the Town, Sun River Drive and Wapiti Drive. The Town can experience seasonal peaks in traffic volumes that lead to heavy traffic volumes along Zerex Street, also designated as United State Highway 40, making it difficult for residents and visitors to turn on and off of stop controlled side streets. The Town has been exploring ways to provide alternative north/south routes, with the goal of improving vehicular mobility within the Town, east of Zerex Street.

The Town has identified an existing 26 foot wide right of way for Sun River Drive, between Park Avenue and Eastom Avenue. This segment of Sun River Drive is currently accessible at Park Avenue but only serves as access to the nearby residential parking lot, as a chain barrier exists just north of the Eastom Avenue and Doc Susie Avenue intersection. Pavement for Sun River Drive does not exist between this barrier and Eastom Avenue. The Town would like to explore the potential of removing this barrier and operating Sun River Drive as a single lane, southbound one-way roadway, between Park Avenue and Eastom Avenue. The roadway will still need to maintain access to the residential development parking lot.

The Town is also exploring a through access along either Quail Drive or Wapiti Drive, between Grand County Road 8 (GCR-8) and Waterside Drive. Quail Drive is currently accessible at GCR-8 but it does not operate as a through roadway due to an existing chain barrier at it's southern limits, approximately 200 feet north of Willow Lane. South of the existing barrier the roadway alignment is designated as Mercy Drive, and currently only serves as access to a residential development parking lot. The Town is researching whether this segment of Mercy Drive is currently within Town right of way. Wapiti Drive is also currently accessible at GCR-8, but it does not provide direct through access south to Waterside Drive. The Town is researching whether an extension of the existing Wapiti Drive would be within Town right of way.

Scope of Services

Kimley-Horn will provide the services specifically set forth below.

TASK 1: SUN RIVER DRIVE CONCEPT

Kimley-Horn will deliver one (1) exhibit for the Town's use in consideration of converting Sun River Drive to a southbound one-way roadway between Park Avenue and Eastom Avenue. The exhibit will feature aerial imagery of the project area, a conceptual roadway alignment for Sun River Drive, recommended signing and pavement markings along Sun River Drive and at its intersections with Park Avenue and Eastom Avenue, recommended pavement markings for the existing parking along the east side of Sun River Drive, just north of Eastom Avenue and any property limit linework provided by the Town.

TASK 2: WAPITI DRIVE CONCEPT

Kimley-Horn will deliver two (2) exhibits for the Town's use in consideration of providing a through access along either Quail Drive or Wapiti Drive, between Grand County Road 8 (GCR-8) and Waterside Drive. One (1) exhibit will consider the removal of the existing barrier that separates Quail Drive and Mercy Drive, currently preventing through access between GCR-8 and Waterside Drive. The other exhibit will consider the construction of a new segment of roadway, connecting Wapiti Drive north of Waterside Drive. Both exhibits will feature aerial imagery of the project area, a conceptual roadway alignment, recommended signing and pavement markings, and any property limit linework provided by the Town.

TASK 3: PROJECT MANAGEMENT, MEETINGS AND COORDINATION

Kimley-Horn will participate in and attend project meetings and coordinate with the Town. This task is intended to capture the effort for meetings, conference calls, coordination, and project management and administration necessary for this project. We have accounted for attending up to two (2) coordination meetings with the Town for this task. Additional project management, meetings, and coordination effort may be provided as an additional service.

TASK 4: TRAFFIC MEMO (IF AUTHORIZED)

If authorized by the Town, Kimley-Horn will deliver a traffic memo documenting the assumptions, conclusions, and recommendations arrived at during the development of the Sun River Drive and Wapiti Drive Concepts. The memo will include a summary of the anticipated traffic impacts associated with each concept, and, if necessary, identify the need for additional analysis.

Schedule

Kimley-Horn will perform the services as expeditiously as practicable with the goal of meeting a mutually agreed upon schedule after receiving an executed agreement and notice to proceed. Additional services will be completed in a timely manner after they are authorized.

Fee and Billing

Kimley-Horn will perform the services in Tasks 1-3 for a total lump sum fee of **\$8,500**. **If authorized** by the Town, Kimley-Horn will perform the services in Task 4 for a total lump sum fee of **\$2,600**. Lump sum fees will be invoiced monthly based upon the overall percentage of services performed. Payment will be due within 25 days of your receipt of the invoice and should include the invoice number and Kimley-Horn project number.

Additional Services

Kimley-Horn will, upon your request and authorization, conduct additional traffic engineering services that may be desired. These service may include collecting survey data, preparing construction plans, collecting existing traffic data include vehicle counts, conducting traffic operational analyses, providing additional concept exhibits, and attending project and public meetings not specified in the scope of services.

Closure

In addition to the matters set forth herein, our Agreement shall include and be subject to, and only to, the attached Standard Provisions, which are incorporated by reference. As used in the Standard Provisions, "Consultant" shall refer to Kimley-Horn and Associates, Inc., and "Client" shall refer to the Town of Fraser.

If you concur in all the foregoing and wish to direct us to proceed with the services, please have authorized persons execute both copies of this Agreement in the spaces provided below, retain one copy, and return the other to us. We will commence services only after we have received a fully-executed agreement. Fees and times stated in this Agreement are valid for sixty (60) days after the date of this letter.

- 5) **Use of Deliverables.** All documents, data, and other deliverables prepared by Kimley-Horn are related exclusively to the services described in this Agreement and may be used only if the Client has satisfied all of its obligations under this Agreement. They are not intended or represented to be suitable for use or reuse by the Client or others on extensions of this project or on any other project. Any modifications by the Client to any of Kimley-Horn's deliverables, or any reuse of the deliverables without written authorization by Kimley-Horn will be at the Client's sole risk and without liability to Kimley-Horn, and the Client shall indemnify, defend and hold Kimley-Horn harmless from all claims, damages, losses and expenses, including but not limited to attorneys' fees, resulting therefrom. Intellectual Property, for purposes of this section, does not include deliverables specifically created for Client pursuant to the Agreement and use of such deliverables is governed by section 5 of this Agreement. Unless explicitly agreed to in writing by both parties to the contrary, Kimley-Horn maintains all interest in and ownership of its Intellectual Property and conveys no interest, ownership, license to use, or any other rights in the Intellectual Property to Client. Kimley-Horn cannot and does not guarantee that proposals, bids or actual costs will not vary from its opinions of cost. Kimley-Horn's services required to bring costs within any limitation established by the Client will be paid for as Additional Services.
- 8) **Termination.** The obligation to provide further services under this Agreement may be terminated by either party upon seven days' written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof, or upon thirty days' written notice for the convenience of the terminating party. Kimley-Horn shall be paid for all services rendered and expenses incurred to the effective date of termination, and other reasonable expenses incurred by Kimley-Horn as a result of such termination.
- 9) **Standard of Care.** The standard of care applicable to Kimley-Horn's services will be the degree of care and skill ordinarily exercised by consultants performing the same or similar services in the same locality at the time the services are provided. No warranty, express or implied, is made or intended by Kimley-Horn's performance of services, and it is agreed that Kimley-Horn is not a fiduciary with respect to the Client.
- 10) **LIMITATION OF LIABILITY.** In recognition of the relative risks and benefits of the Project to the Client and Kimley-Horn, the risks are allocated such that, to the fullest extent allowed by law, and notwithstanding any other provisions of this Agreement or the existence of applicable insurance coverage, that the total liability, in the aggregate, of Kimley-Horn and Kimley-Horn's officers, directors, employees, agents, and subconsultants to the Client or to anyone claiming by, through or under the Client, for any and all claims,

Higher limits of liability may be negotiated for additional fee. This Section is intended solely to limit the remedies available to the Client or those claiming by or through the Client, and nothing in this Section shall require the Client to indemnify Kimley-Horn.

- 11) **Mutual Waiver of Consequential Damages.** In no event shall either party be liable to the other for any consequential, incidental, punitive, or indirect damages including but not limited to loss of income or loss of profits.
- 12) **Construction Costs.** Under no circumstances shall Kimley-Horn be liable for extra costs or other consequences due to changed or unknown conditions or related to the failure of contractors to perform work in accordance with the plans and specifications. Kimley-Horn shall have no liability whatsoever for any costs arising out of the Client's decision to obtain bids or proceed with construction before Kimley-Horn has issued final, fully approved plans and specifications. The Client acknowledges that all preliminary plans are subject to substantial revision until plans are fully approved and all permits obtained.
- 13) **Certifications.** All requests for Kimley-Horn to execute certificates, lender consents, or other third-party reliance letters must be submitted to Kimley-Horn at least 14 days prior to the requested date of execution. Kimley-Horn shall not be required to execute certificates, consents, or third-party reliance letters that are inaccurate, that relate to facts of which Kimley-Horn does not have actual knowledge, or that would cause Kimley-Horn to violate applicable rules of professional responsibility.
- 14) **Dispute Resolution.** All claims arising out of this Agreement or its breach shall be submitted first to mediation in accordance with the American Arbitration Association as a condition precedent to litigation. Any mediation or civil action by Client must be commenced within one year of the accrual of the cause of action asserted but in no event later than allowed by applicable statutes.
- 15) **Hazardous Substances and Conditions.** Kimley-Horn shall not be a custodian, transporter, handler, arranger, contractor, or remediator with respect to hazardous substances and conditions. Kimley-Horn's services will be limited to analysis, recommendations, and reporting, including, when agreed to, plans and specifications for isolation, removal, or remediation. Kimley-Horn will notify the Client of unanticipated hazardous substances or conditions of which Kimley-Horn actually becomes aware. Kimley-Horn may stop affected portions of its services until the hazardous substance or condition is eliminated.
- 16) **Construction Phase Services.**
 - a. If Kimley-Horn prepares construction documents and Kimley-Horn is not retained to make periodic site visits, the Client assumes all responsibility for interpretation of the documents and for construction observation, and the Client waives any claims against Kimley-Horn in any way connected thereto.
 - b. Kimley-Horn shall have no responsibility for any contractor's means, methods, techniques, equipment choice and usage, equipment maintenance and inspection, sequence, schedule, safety programs, or safety practices, nor shall Kimley-Horn have any authority or responsibility to stop or direct the work of any contractor. Kimley-Horn's visits will be for the purpose of observing construction and reporting to the Client whether the contractors' work generally conforms to the construction documents prepared by Kimley-Horn. Kimley-Horn neither guarantees the performance of contractors, nor assumes responsibility for any contractor's failure to perform its work in accordance with the contract documents.
 - c. Kimley-Horn is not responsible for any duties assigned to it in the construction contract that are not expressly provided for in this Agreement. The Client agrees that each contract with any contractor shall state that the contractor shall be solely responsible for job site safety and its means and methods; that the contractor shall indemnify the Client and Kimley-Horn for all claims and liability arising out of job site accidents; and that the Client and Kimley-Horn shall be made additional insureds under the contractor's general liability insurance policy.
- 17) **No Third-Party Beneficiaries; Assignment and Subcontracting.** This Agreement gives no rights or benefits to anyone other than the Client and Kimley-Horn, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole benefit of the Client and Kimley-Horn. The Client shall not assign or transfer any rights under or interest in this Agreement, or any claim arising out of the

performance of services by Kimley-Horn, without the written consent of Kimley-Horn. Kimley-Horn reserves the right to augment its staff with subconsultants as it deems appropriate due to project logistics, schedules, or market conditions. If Kimley-Horn exercises this right, Kimley-Horn will maintain the agreed-upon billing rates for services identified in the contract, regardless of whether the services are provided by in-house employees, contract employees, or independent subconsultants.

- 18) **Confidentiality.** The Client consents to the use and dissemination by Kimley-Horn of photographs of the project and to the use by Kimley-Horn of facts, data and information obtained by Kimley-Horn in the performance of its services. If, however, any facts, data or information are specifically identified in writing by the Client as confidential, Kimley-Horn shall use reasonable care to maintain the confidentiality of that material.
- 19) **Miscellaneous Provisions.** This Agreement is to be governed by the law of the State where the Project is located. This Agreement contains the entire and fully integrated agreement between the parties and supersedes all prior and contemporaneous negotiations, representations, agreements, or understandings, whether written or oral. Except as provided in Section 1, this Agreement can be supplemented or amended only by a written document executed by both parties. Any conflicting or additional terms on any purchase order issued by the Client shall be void and are hereby expressly rejected by Kimley-Horn. If Client requires Kimley-Horn to register with or use an online vendor portal for payment or any other purpose, any terms included in the registration or use of the online vendor portal that are inconsistent or in addition to these terms shall be void and shall have no effect on Kimley-Horn or this Agreement. Any provision in this Agreement that is unenforceable shall be ineffective to the extent of such unenforceability without invalidating the remaining provisions. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.
