

## 2025 GCWC SUMMARY

### MITIGATION SUCCESSES

- Total Acres Mitigated: 730 Acres
- GCWC Funding Put on the Ground: almost \$490,000
- Total Cash Match: almost \$490,000
- Total In-Kind Match: \$112,463
- **Totals: Almost \$1.1 million and about 730 acres treated between cost share programs, large projects, and chipping.**

### FUNDING SUCCESSES

- Total Funding Awarded to be Spent from 2025-2030: **about \$2.85 million**
  - \$2.5 million award - federal Community Wildfire Defense Grant funding
    - Mitigating about 800 acres near the Town of Granby from 2026-2030.
  - Continuing to apply for additional grants for programs, and projects, and capacity support.

**Our goal for 2026 is to increase funding on the ground with more acreage treated.**

### EDUCATION SUCCESSES

- Over 780 volunteer hours
- Over 700 contacts.
  - Public events, trainings, chipping days, Fire Restrictions education, Roads Safety Project Homeowner Education, PBS Documentaries, HOA Meetings, etc.
