

## Fraser Business Enhancement Grant Application

Fraser Business Enhancement Grants are intended to support current businesses and improve the economic vitality of Fraser by encouraging enhancements to the physical appearance of business properties, improvement of public infrastructure, amenities and gathering places, and increased ADA accessibility. Grant requests of up to \$25,000 per business space will be considered. 50% project match is generally required; lower project matches may be considered for projects providing a maximum public benefit. For priority consideration, applications must be submitted by February 1, 2026. If funding for projects remain after consideration of initial applications that meet the deadline, rolling application will be considered until grant program funding for the year is exhausted.
