BREAKING THROUGH

KEVIN ROBB

Over the past three decades, renowned Colorado metal sculptor Kevin Robb has made his mark on the national and international art scene. With a unique style and consummate welding quality that has defined and differentiated his work.

Kevin creates contemporary stainless steel sculptures and bronze sculptures, which become magnificent works. Kevin since suffered a massive stroke in 2004.

Now, Kevin directs the staff in every cut, angle, curve, and weld. Although he has been challenged physically, Kevin continues to create the sculptures that he loves so much.
